

# SMILE Project Pictionary of Emotions

## **Welcome to our Pictionary of Emotions!**

### **About our project**

The SMILE Project is a unique and interesting collaboration between educational agencies from 5 countries across Europe. Funded by Erasmus, the project brings together the expertise of educational psychologists, teachers and expert practitioners, aiming to develop the emotional literacy of the children involved. For more information please visit:

### **The Emotions Pictionary**

Through photographs, drawings and multiple language translations this Pictionary aims to assist in the teaching and learning of emotions, allowing children to interpret and understand their emotions more fully.
