PRIMARY SCHOOL

LOVE

A world of emotions... for you
mum.

A collection of small masterpieces
to their mothers.

Spaghetti's Game

The children are divided into two teams with the same number of participants. The members of each team are arranged in single file so that the two rows are parallel. Players in turn will have to take a piece of spaghetti at a time without using your hands and bring it to the bottle given to his team.

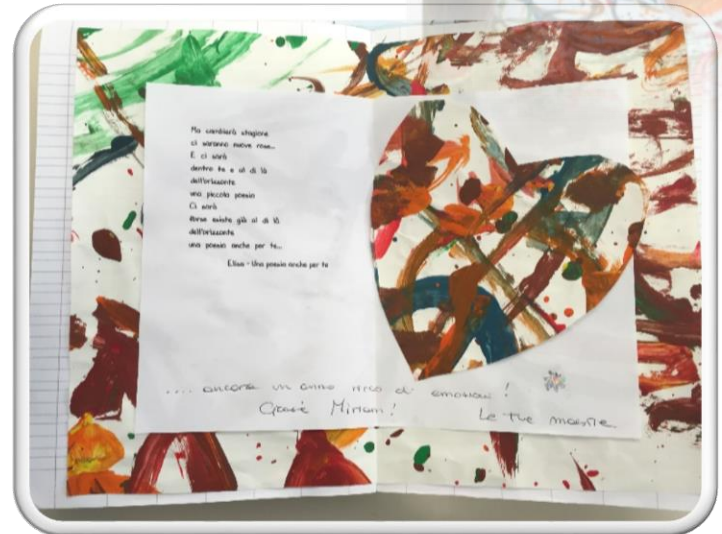

THIS IS THE WORLD

THAT I WOULD LIKE

PRIMARY SCHOOL

The playful splash of
September, take shape
and substance in June.
